PRE-REGISTRATION FORM

Outpost # _____ Church Name _____

Senior Commander: _____

Tel# _____ Email _____

The Pre-Registration process has been simplified. You need only to provide the names of your Patrols and the approximate number of boys in each Patrol. This information is vital to our event preparations so that we might have an approximate count and can adequately budget. Also, we need to complete other documents ahead of time that include Patrol names.

YOU MAY NOT CHANGE PATROL NAMES UPON ARRIVAL

To make pre-registration even simpler, you may send me an email with the needed information.

THE IMPORTANT THING IS TO PRE-REGISTER ASAP!!

Only patrols who have pre-registered by February 10, 2009 will be eligible for Awards and Pre-registration Discounts.
